Community

The Village of Sparta is located 20 minutes north of Grand Rapids. This small rural town of 13,445 residents reflects the values of the community. Sparta offers a diverse labor market, employment opportunities and quality schools. Most notably, it is known for the apple trees covering thousands of acres of rolling farmland dedicated to the 3rd largest apple industry in the country.

Educational Environment

Sparta High School is a comprehensive four-year public high school enrolling approximately 850 students. The district consists of one high school, one middle school and two elementary schools that utilize K-2 and 3-5 grade level configurations.

Curriculum

The academic program during this school year is organized on an alternating A/B day schedule. The school year is divided into 2 semesters with students taking 3 courses on A days, and the other 3 courses B days. Each course is worth a .5 credit. Students have a career exploration period called Focus incorporated into their last period class, earning a .5 credit at the end of the school year for it. Overall, students may earn 6.5 credits per year.

District Mission Statement

The Sparta Area School District is committed to working in partnership with students, families and the community. Our goal is to ensure that all students master the essential skills to develop the attitudes and behaviors necessary to function successfully in a changing world. The members of this partnership are committed to guaranteeing an educational environment to challenge all students to achieve their greatest potential.
